The applicant or co-applicant must meet all of the college graduate program qualifications.

Subject to the foregoing limits and requirements below, the College Graduate Finance Program is available upon credit approval through participating Mazda dealers and Mazda Financial Services (MFS) for finance contracts with terms up to 84 months or lease contracts with terms up to 60 months for new and current year CPO vehicles or up to 48 months for two- and three-year old CPO vehicles. Eligible applicants must meet proof requirement under one of the following applicable options: If graduating within 6 months: provide a letter from the registrar's office stating graduation date and type of degree; OR provide a copy of transcript that states current classes, credits earned, or credits needed for degree. If enrolled in an accredited graduate school: copy of current transcript confirming enrollment in a graduate degree program; OR letter from the college/university registrar's office enrollment in a graduate degree program. At contract signing, eligible customers must furnish verifiable proof of present or future employment, which will begin within 120 days of credit approval, with a salary sufficient to cover ordinary living expenses and vehicle payments.
