LEASE-END GUIDE AND CHECKLIST

FINANCIAL SERVICES

BE PREPARED FOR THE END OF YOUR LEASE

When your lease comes to an end you can take one of three roads
and the choice is entirely your own.
Each road has a different end and we've mapped each journey out for you.

OPTION ONE

Turn in your vehicle and purchase or lease a new Mazda¹

You have the option to either explore a newer model of what you are already driving or start a new adventure with a completely different Mazda.

- Explore new models online at mazdausa.com
- Schedule a test drive at your local dealership
- Plan to have Disposition Fee waived as a returning guest²

OPTION TWO

Return your vehicle to your Mazda dealership

If you are not quite ready for your next Mazda, you have the option to return your vehicle to a Mazda dealership³ by Lease-end. Your originating Dealer is required to process the vehicle return. Most Mazda Dealers will process a return even if they did not originate the lease, but we recommend contacting them to confirm and schedule a turn-in appointment.

- Ensure all contracted payments and miscellaneous fees, including the Disposition Fee, are paid to Mazda Financial Services
- Review the Excess Wear and Use Guidelines

OPTION THREE

Purchase the vehicle you're currently driving

If you love your current Mazda and don't want the current journey to end, you have the option to purchase your vehicle. You can obtain a quote for payoff by logging into your Mazda Financial Services (MFS) online account or contacting MFS at (866) 693-2332. If you need financing, your dealership can assist you.

¹ Leasing a new Mazda or financing the purchase of your current Mazda are on approved credit through Mazda Financial Services at your participating Dealer. Not all applicants will qualify. Additional options are available. See your Mazda dealer for details.

² Disposition fee will be automatically waived:

- You choose to lease or finance your next Mazda through Mazda Financial Services at your participating dealer. OR;
- You finance the purchase of your current Mazda through Mazda Financial Services at a participating dealer within 30 days of your leased vehicle return. OR;
- You've had three or more lease or finance contracts with Mazda Financial Services

³ The vehicle must be returned to an authorized Mazda Dealer. If you return the vehicle to a third-party dealership, this is an unauthorized third-party vehicle return and you remain responsible for all obligations under the lease agreement until we receive the payoff funds and all required documentation, or the vehicle is delivered to a Mazda Dealer.

Mazda Financial Services Lease-End Guide

GET AN INSPECTION

Schedule a complimentary vehicle inspection

In preparation for lease-end, we recommend you take advantage of an optional inspection.⁴ Schedule your complimentary inspection appointment to take place 15 to 60 days before you return your vehicle and discuss any repairs with your dealer to determine how they can help. If you have not yet scheduled an inspection, visit mazdafinancialservices.com/leasereturn and follow the instructions under "Before Your Return." You may also call (866) 693-2332 to speak with an MFS customer service representative.

An inspection is:

Convenient

- Inspectors can meet you at your home, work, dealer, or other preferred location

Informative

- Knowing the condition of your vehicle before the end of your lease allows you to make well-informed decisions
- Discussing vehicle condition with your dealer may be beneficial in helping make your lease-end decision

Thorough

- Detailed condition reports, itemizing any excess wear and use, are available shortly after inspection

Review Wear and Use Guidelines

Should you elect to return your Mazda, you may be charged if there is damage exceeding normal wear and use.⁵ To better understand what is considered excessive, review our Excess Wear and Use Guidelines at www.mazdafinancialservices.com/wearanduse for more information.

Repairs

If repairs are made following a pre-inspection, another inspection may be requested so that a customer can eliminate or reduce any charges for damage.

⁴ Excess wear and use charges may be based solely on the optional inspection prior to maturity. Should you not take advantage of such inspection, one will be ordered upon return of the vehicle. If repairs are made to your vehicle before turn-in, you or the dealer may request an inspection upon turn-in.

⁵ Under certain circumstances, Mazda Financial Services does not charge its lease customers for excess wear and use damage. All charges may be subject to sales tax.
